Dear Parent,

Welcome back to EPHS for the 2011-2012 year. We are looking forward to a great year this year. I am working to implement an online course management system so that you can access project handouts, assignments, etc. This will be available during the first semester of the year.

1. You can check your child's grades on a secure Internet connection. The link for Infinite Campus is at <https://campus.paulding.k12.ga.us/campus/paulding.jsp> and on my site Pdragons.Com

2. Suggested supply list for each student in a Business Courses at EPHS:

One 2GB or larger Thumb drive (Flash drive) for your student	One 3 ring binder
One set of 5 dividers for the binder	Notebook paper for the binder
Pens or Pencils	

3. Common Classroom supplies needed:

Baby Wipes	Clorox Cleaning Wipes
Ream of Copy Paper	Facial Tissues
Hand Sanitizer	

4. Your student will be able to log into my website starting on or before the third week of school. Your student will be able to find resources for their class on my website by logging into the website. They will find the following information on the site:
 1. General Information
 2. Class Documents – Syllabus and other handouts
 3. Course Assignments – Project Handouts and Project Rubrics
 4. Lecture notes – For specific topics not covered in the textbook or additional resources
 5. Submit assignment – Students will be
 6. Submit selected projects to me by logging into my website.
3. Contact information for me. Email address is teacher@pdragons.com. I am best reached by email. In the future, there will be a contact form on the web to speed communication.
4. I am looking forward to having a good year with your student in my class and having him or her successfully master the class material this year.

Thanking You for Your Help,
Mr. Michael Perry

Voice Mail 770-309-5113. Please email me or leave a message any time I can be of help with your child's progress in my class.
